### Brown Spot Removal

Face or Hands  
Chest or Arms

### Laser Facial

The use of intense pulsed light to address freckles, brown spots and sun induced aging. This treatment also stimulates the production of collagen, which leads to the improvement of fine lines and firmness of the skin. A series of 3-5 laser facial treatments is recommended for optimal results.

Face or Package of 3

### All Natural Spray Tan

Enjoy the luxury of a golden tan that won't harm your skin or make you smell like chemicals! Tans last 7-10 days with regular moisturizing.

Single Treatment  
Package of 6 Tans

## Skin Rejuvenation Treatments

### Oxygen Enriched Microdermabrasion

A treatment to gently remove the outer dead layer of skin cells allowing for improved overall skin tone and texture and better penetration of topical products. Also helps to treat blackheads. This treatment includes pure oxygen therapy and a custom mask to further enhance hydration and your specific skin needs.

### Microdermabrasion Only

### IS Clinical Innovative Facial ~ a

Professional RESURFACING MASQUE formulated with Glycolic acid, Retinol, Vit.B3 and potent antioxidants including Green Tea Extract. Followed by the cool, soothing and intensely hydrating REJUVENATING MASQUE containing Hyaluronic Acid, Aloe Vera, and Green Tea, Licorice, Grape Seed and Rosemary Extracts.

### The Jack Black Men's Facial

A deep pore cleansing treatment to re-energize your skin. Through exfoliation, steam, a rejuvenating mask and eye balm application the effects of razor irritation and fine lines will be minimized, leaving your skin smooth, hydrated and glowing with vitality.

### Evanesque Peel Series

Try one of our CosMedix innovative and non-traumatic peels. All ingredients are chirally correct and plant based with no artificial colors or preservatives.

**POMEGRANATE** – stimulates cellular turnover by removing dead cells in layers. Increases your natural moisture factor.

\* Combined w/ Microdermabrasion

**BLUEBERRY SMOOTHIE** – a concentrated exfoliating scrub. Particularly good for oily skin but also effective for anti-aging, rejuvenating treatment. Blue corn meal and exfoliating beads in a delicious blueberry nectar.

**BENEFIT** – This powerful anti-oxidant peel delivers nutrients into the skin layers and has Calming, healing benefits. Repairs, nourishes and protects. Great for Rosacea or Photo damage.

**PURITY** – A detoxifying treatment that fights bacteria, heals acne lesions and is an excellent peel for any impure skin condition.

**BLUEBERRY JESSNER** – An exceptional acne drying treatment that also reduces fine lines and improves the appearance of mature skin. Can lighten pigment disorders.

First Layer / additional cost for each additional layer

### MicroCurrent Treatments

Facial – Increases elasticity, tone and texture by stimulating collagen production through a series of relaxing treatments. You will be pleased with long time results.

10 treatment package  
Individual treatment
